

EHPR Summer Camp Presents...

# Critter Caravan

Monday July 22nd at Camp

## Our Story:

In 1997, Sisters Tori and Kathryn created Critter Caravan, a traveling exotic mammal and reptile show.

Our hands-on approach reinforces our belief that children learn best using all of their senses. Since that time, children of all ages and abilities have enjoyed Tori and Kathryn's unique talent for presenting learning in a gentle and inclusive environment.

Here are some of the animals they bring to camp:

**Chinchillas, Hedgehogs, Rabbits, Lizards, Guinea Pigs,  
Tortoises, Snakes and many more.**

**\*Animals sometimes take a day off and are subject to  
change.**
