Only adults who've been authorized on your child's registration form or by written permission may pick your child up. If the staff does not recognize the individual, photo identification will be required.

SUNSCREEN & MEDICATION REGULATIONS:

- Please be aware that all physical health forms must be up to date and received 2 weeks prior to attending camp. Any physical dated within two years of camp attendance dates is valid for our purposes.
- According to the Connecticut State Statutes, topical over-the-counter medications (such as sunscreen and insect repellent) do not need a physician's order.
- Sunscreen may not be sufficient protection for every child. Please provide the camp with written instructions if you wish for your child to wear a hat or shirt all day, or if you wish them to keep any articles of clothing on over their swimsuit while in the water. Additionally, we appreciate your cooperation in applying your child's first application of sunscreen or topical medication before they arrive to camp each day. The staff will remind all campers to re-apply sunscreen at 10:00 AM and 12:30 PM and will offer assistance to those who may need it.
- According to the Connecticut State Statutes, your child's physician must complete a medication authorization for each prescription and oral over-the-counter medication that you wish our staff to administer. Otherwise, you may bring these medications to our site and administer them yourself at the time(s) your child will need it.
- If you wish for our staff to administer your child's medication, please bring the completed authorization form(s), along with the medication(s), to the program on the first day it is needed.

ADDITIONAL INFORMATION:

- All our Summer Camp staff are CPR and First Aid certified.
- Please be sure that your child brings bottled water, a snack, and lunch every day.
- While certain attire has been outlined for each field trip, please dress your child appropriately for the weather.
- In the event of severe weather, outdoor field trips may be rescheduled.
- Our staff or local news outlets may photograph children in the program. If you do not wish your child's name or photograph to appear in a newspaper, on the town website, in Parks & Rec emails or program flyers, on bulletin boards, or in any media not otherwise specified, please indicate this clearly in the comments section of the registration form.
- Children who are disruptive, or cannot adapt to the program, may be withdrawn. East Haddam Parks & Recreation does not tolerate bullying or harassment, in any capacity, in any of our programs.
